

Does Your Child Need Help With School?

Jabbok Tutorial

&

**Jacob's Ladder
Educational Services**

ARE HERE TO HELP YOU!

We offer tutorial programs designed to help children become active learners and thinkers. We identify your child's areas of weakness in Reading and Math and work hard to make them stronger!

We also offer assistance with the material they are learning in school in all subjects. Be it a class assignment, homework assignment, or special project, we can help.

Don't wait until you see bad grades, get help now and create a success story instead!!!
